

# Osteopathic Examiners, Arizona Board of

## Description

The Board of Osteopathic Examiners in Medicine and Surgery licenses and regulates osteopathic physicians in the State of Arizona. The Board serves approximately 1,600 professionals licensed to practice in Arizona as well as all Arizona citizens and visitors to Arizona who receive these professional services. The Board is made up of seven members appointed by the Governor for five-year terms.

## IT Vision

A licensing and regulatory environment that relies primarily on electronic means of receiving, storing, and disseminating records of the agency's business.

## IT Mission

To use information technology to make the acquisition and dissemination of information more efficient, for the public, the regulated profession, and the agency.

## Goal 1

Provide information on licensee's status and complaint history on on-line

### Objective 1

Publish final disciplinary orders on-line

#### Current Situation

Final orders and interim orders affecting public safety are reported to national groups, and as requested to others.

#### Performance Measures

- 0 Number of packets of license history prepared and sent manually

Status In Process

Category: Input			1,000	500	100

### Objective 2

To be able to exchange licensee and disciplinary information on-line between specific agencies that we communicate with.

#### Current Situation

Primary communication is done through hard copies and US Postal Service

#### Performance Measures

- 1 Number of agencies to whom we transmit disciplinary information electronically.

## Goal 2

Provide on-line applications for osteopathic physicians seeking licenses, registrations, or permits.

### Objective 1

To provide application packets on-line, complete with ability to pay the applicaiton fee and submit electronically.

### Current Situation

Application requests taken by phone, fax, or mail, then applications mailed. Applications are completed and returned to the agency; official follow-up correspondence is by US mail.

### Performance Measures

- 1 Number of applications downloaded from website.
